# **Rules of Practice and Procedure of the Court of Common Pleas, Probate Division, Pickaway County, Ohio**

The following Local Rules are supplemental to the Rules of Superintendence for the Courts of Ohio and must be read in conjunction therewith.

## **RULE 5.1 JURY TRIALS.**

All jury trials in Pickaway County Probate Court are governed by the jury management procedure of the general division of the Pickaway County Court of Common Pleas. Any party requesting a trial by jury on a civil action shall be required to post a deposit in the amount of Two hundred fifty dollars (\$250.00) no later than seven (7) days after the date of the entry scheduling the matter for jury trial.

## **RULE 8 COURT APPOINTMENTS.**

### **(A) 8.1 Definitions**

1. “Appointment” means the selection by the Court of any person or entity designated pursuant to constitutional or statutory authority, Rule of Court, or inherent authority of the Court to represent, act on behalf or in the interest of another, or perform any services in a court proceeding.
2. “Appointee” means any person, other than a court employee, receiving a court appointment who is selected by the Court. “Appointee” does not include a receiver pursuant to R.C. 2735.01; an arbitrator, mediator, investigator, psychologist, interpreter, or other expert in a case following independent formal or informal recommendations to the court or judicial officer by litigants; any individual who is appointed by any court pursuant to the Revised Code or the inherent authority of the court to serve in a non-judicial public office for a full or unexpired term or to perform any function of an elected or appointed public official for a specific matter as set forth in the entry of appointment; or a guardian pursuant to Sup.R. 66.

### **(B) 8.2 Court Appointments**

1. Persons appointed by the Court may be selected from lists maintained by the Court. Such lists will be located in miscellaneous case file. Persons desiring appointments and seeking to be added to the list should provide to the Court in

writing a brief summary describing their qualifications, skills, and any special expertise, along with the position(s) sought to be considered for appointment.

2. Appointments will be made from such lists taking into consideration the qualifications, skills, and expertise of the appointee in addition to the type, complexity, and requirements of the case.
3. Court appointees will be paid a reasonable fee with consideration given to the factors contained in DR-2-106 of the Code of Professional Responsibility, the Ohio Revised Code, and the Local Rules of Court relating to fees.
4. The Court will review Court appointment lists in December and June of each year to ensure the equitable distribution of appointments and to determine whether to continue or remove the person on the appointment list. If the person is removed, the court will inform the person in writing. If a complaint is made with the court about the performance of the appointee or the court, on its own, may review such performance and remove the appointee from the list.

### **RULE 9.1 SECURITY PLAN.**

Pursuant to a Supreme Court of Ohio resolution dated July 26, 1995, the Pickaway County Probate Court has determined the entire Security Plan as submitted to the Supreme Court of Ohio, effective January 1, 2001, be maintained as confidential and not a matter of public record.

### **RULE 11.1 RECORDING OF PROCEEDINGS.**

- (A) The Court will make an audio recording of the proceedings as the record of the Court unless a stenographic record is requested. Parties who desire to have a stenographic record of the proceedings must make their own arrangements for a Court reporter at least twenty-four (24) hours prior to the scheduled hearing. The requesting party shall pay the costs of the stenographic record unless otherwise ordered by the Court.
- (B) In all cases in which a party desires preparation of a transcript of a proceeding, such request shall be made in writing to the Court Reporter. Upon receipt of such request, the Court Reporter will advise the party, in writing, of the estimated cost of the transcript. Upon receipt of a deposit in the amount of fifty percent (50%) of the estimated cost, the Court Reporter shall prepare the transcript. No transcript shall be delivered without payment in full for the transcript.
- (C) The Court will maintain discs of all electronically recorded proceedings for three (3) years from the date of the hearing. Any interested person desiring to preserve the record beyond that period must make arrangements to have the record transcribed.

## **RULE 12.1 CONDITIONS FOR BROADCASTING AND PHOTOGRAPHING COURT PROCEEDINGS.**

The taking of photographs in the Courtroom, corridors immediately adjacent thereto or lobby and the transmitting or sound recording of such proceedings for broadcasting by radio or television shall not be permitted unless so authorized by the Court. Court authorizations shall be governed by Canon 3(A)(7), Code of Judicial Conduct and Superintendence Rule 11.

Requests for permission to broadcast, televise, record or photograph in the Courtroom shall be made in writing to the Judge as far in advance as reasonably practicable but in any event no later than twenty-four (24) hours prior to the Courtroom session to be broadcast, recorded or photographed, unless otherwise permitted by the Judge for good cause shown. Request forms may be obtained from the Court bailiff.

The Court shall immediately attempt to inform the attorneys for all parties in the case of the media request. If time does not permit notification by mail then telephonic means or notification in person must be attempted. The intent of this Rule is to allow attorneys for all parties an opportunity to be heard prior to the Judge deciding the media request.

In the event the Judge approves the media request, he shall prepare and sign a Journal Entry setting recording or photographing. This entry shall be made a part of the record of the case.

Arrangements shall be made between or among media for “pooling” equipment and personnel authorized by the rule to cover the Court sessions. Such arrangements are to be made outside the Courtroom and without imposing on the Judge or Court personnel to mediate any dispute as to the appropriate media pool representative or equipment authorized to cover a particular session. Not more than one portable camera (television, videotape or movie), operated by not more than one person shall be permitted without authorization of the Judge. Not more than one still photographer, utilizing not more than two still cameras of professional quality with more than two lenses for each camera, shall be permitted without authorization of the Judge. Not more than one audio system of radio broadcast purposes shall be permitted without authorization of the judge. If audio arrangements cannot be reasonably made in advance, the Judge may permit one audio portable tape recorder at the bench, which will be activated prior to the commencement of the Courtroom session. Visible audio portable tape recorders may not be used by the news media without permission of the Judge. Only professional telephonic, photographic and audio equipment, which does not produce distracting sound or light, shall be employed to cover Courtroom sessions. No motor driven still cameras shall be permitted. Not artificial lighting device other than that normally used in the courtroom shall be employed. However, if the normal lighting in the courtroom can be improved without becoming obtrusive, the Judge may permit modification. Audio pick-up by microphone for all media purposes shall be accomplished from the existing audio systems present in the Courtroom. Microphones shall be located on the Judge’s bench, witness stand and jury rail. Microphones shall be visible, secured but unobtrusive. If no technically suitable audio system exists in the Courtroom, microphones and related wiring essential for all media purposes shall be unobtrusive and located in places designated by this Rule or the Judge, in advance of any session.

The television broadcast and still camera operators shall position themselves in a location in the Courtroom, either standing or sitting, and shall assume a fixed position within that area. Having

established themselves in a shooting position, they shall act so as not to call attention to themselves through further movement. Sudden moves, pans, tilts or zooms by television or still camera operators are prohibited. Operators shall not be permitted to move about in order to obtain photographs or broadcast Courtrooms sessions, except to enter or leave the Courtroom. Television cameras, microphones and taping equipment shall not be placed in, moved during or removed from the Courtroom except prior to commencement or after adjournment of the session or during recess. Neither television film magazines, rolls, lenses, still camera film, nor audio portable tape cassettes shall be changed within a Courtroom except during a recess.

All media shall maintain proper Courtroom decorum pool participants, including proper attire in a manner that reflects positively upon the journalistic profession.

There shall be no audio pick-up or broadcast of conferences conducted in a Courtroom between counsel and clients, co-counsel or the Judge and counsel.

The Judge shall prohibit photographing or televising by any means victims of sexual assaults or undercover police officers. The Judge shall retain discretion to limit or prohibit photographing or televising any juror, victim, witness, counsel or his or her work product upon objection.

Upon the failure of any media representative to comply with the conditions prescribed by the Judge, the Rules of Superintendence of the Supreme Court, or this Rule, the Judge may revoke permission to broadcast, photograph, or record the trial or hearing.

## **RULE 52.1 SPECIFICATIONS FOR PRINTING PROBATE FORMS.**

Computerized forms must comply with the specifications and format outlined by the Rules of Superintendence. The signature of the applicant or attorney constitutes a certificate that the computer generated forms comply with the rules.

All computer forms presented for filing must be generated with the exact wording as well as blank lines as they appear in the standard forms.

## **RULE 53.1 HOURS OF THE COURT.**

Unless otherwise ordered, the Probate Court shall be open for the transaction of business from 8:00 a.m. to 4:00 p.m., Monday through Friday, except holidays as designated by the Court.

Fax filings may NOT be sent directly to the Court for filing but may only be transmitted directly through the facsimile equipment operated by the Clerk of Courts.
